Message From The Principal

Goodbye January, hello February! Report cards came home last month and we are off to the next grading period. There have been a few questions about the absences listed on the report card. The number reflects any absence whether it is all day or just part of the day. The report card form does not have space to list all the categories. If anyone has questions about their child's attendance, please contact the office and we can give you a detailed report.

This month is our School on the Move Challenge. This is a program to help us with health and fitness and to develop healthy habits. Students should have brought home the bright yellow log sheet to record everyday participation. Family logs are also available. If you would like a family log, please contact your child's teacher or call the office at 970-488-7600 and we will send one home.

While we are trying to stay healthy, we have had many students with illnesses. It is important to keep your child home if they are experiencing cold/flu symptoms or nausea/vomiting. Please see below on when to keep your child at home. If you have any questions, you may speak with our nurse or health tech here at CLPE.

This month we have our Kindergarten and 4th Grade music programs and the Scholastic Bookfair and Family Night. Please see the attachment sent along with this newsletter.

Physical Education

The Schools on the Move Challenge is On. This is a month long program during February to encourage students, school staff and families to learn and practice the 5210+ healthy habits.

The goal is to get Everyday:

- 5 fruits and vegetables,
- no more than 2 hours of recreational screen time,
- 1 hour or more of physical activity,
- 0 surgary drinks and
- 9 or more hours of sleep

EVERY DAY!

School challenge-The top 15 small schools with highest percentage of participants will be awarded \$1500, \$1200, \$1000, \$750, \$500, \$250.

Family Challenge-Families who complete the blue family log and meet the 20 check Challenge have a chance to earn a \$50 King Soopers gift card (one card per school). The top five schools with the highest family participation will receive \$1000, \$750, \$500, \$250 to spend on PE equipment and school wellness initiatives.

For Grades 3-5, we will be discuss Nutrition Labels and how to determine if a drink is a "surgary drink." **The cutoff is 15 Grams of sugar (not carbohydrate) per serving.** Ask your student about Nutrition Labels and read one together.

2019-20 Music Programs:

Our CLPE Kindergarteners and 4th graders are preparing for program performances in February! On February 6, the kindergarteners will perform "A Happy, Healthy Me," a new Quaver Musical that explores healthy eating and activities. On February 27, the CLPE 4th graders will perform our traditional program "Colorado Rocks!"

For all programs, evening performances are at **6:00 p.m.** This is a change from last year due to our earlier school day. Students need to arrive in their classrooms at 5:50 p.m. the evening of the program. **Daytime programs will occur the day of the performance at 2:00 p.m. EXCEPT for 5th grade, which will be at 1:45 p.m. due to the length of the performance.** There will NOT be daytime performances for the Choir and Modern Band concerts.

URBAN AIR
FOR BIRTHDAY PARTIES

VOTED #1
FOR BIRTHDAY PARTIES

Upcoming programs:

- ✓ Thursday, February 6: Kindergarten
- ✓ Thursday, February 27: 4th grade
- ✓ Thursday, March 26: RiverSong Choir
- ✓ Thursday, April 2: 1st grade
- ✓ Thursday, April 23: Modern Band
- ✓ Thursday, May 7: 5th grade

RiverSong Choir: Choir continues to practice on Tuesday mornings from 7:30-8:00 a.m. in the music room. As a weather note, please make safety your priority. If we have school and there are no delays, we will have choir, but use your best judgment regarding attendance when there is inclement weather. If there is a delay or if school is cancelled, we would not have choir.

Modern Band Club was open to students in 3rd, 4th, and 5th grades, and the students who registered have received paperwork to complete and return. The club will begin on Thursday, February 6, after school, and will meet on Thursday afternoons until 3:45. It is important that students be picked up at the front of the school promptly at 3:45 on Thursdays when the club meets. The Modern Band Club will meet from February 6 until April 30, with a concert on April 23. There will be NO MODERN BAND on March 5, nor will we meet during Spring Break! Please mark your calendar if your student was accepted into the club.

The final Instrument Intensive—drums—will take place before school on Thursday, February 6, at 7:30. That is also the same day our after-school club starts!

Third, fourth, and fifth graders who wish to participate should arrive at the outside music room door between 7:25 and 7:30 a.m. on Thursday, February 6.

CONNECT
TO CURIOSITY

Fifth Grade Showcase: CLPE 5th graders should begin thinking about whether they want to audition to perform a solo or small group act in the 5th grade program on May 7. Auditions will be held during music classes prior to Spring Break, from February 26-March 12. Acts must be school appropriate and music-related. All 5th grade students will perform in the program as part of the full-group songs.

As always, please contact me with any questions or concerns. I am at CLPE all day on Tuesday and Thursday, and in the morning on Wednesday.

Rollerland

Our next scheduled Rollerland Skate Night is **Friday, February 7**. Come on out and let your kids enjoy an evening of music, skating, and playing games! Watch for the reminder fliers in your kids backpacks, and for the stickers that will get them a free game token at the skating rink.

I will donate \$1000 to your school, soccer or baseball club.

Find out how!

How Sick is Too Sick?

When Children and Staff Should Stay Home from School or Child Care

There are three main reasons to keep sick children and adults at home:

1. The child or staff member does not feel well enough to take part in usual activities. For example, a child is overly tired, fussy or will not stop crying.
2. A child needs more care than teachers and staff can give while still caring for the other children.
3. The symptom or illness is on this list, and staying home is required.

Remember, the best ways to stop the spread of infection is through good hand washing and staying home when sick.

Symptoms	Child must stay home?
Diarrhea Frequent, loose, or watery stools (poop) compared to normal ones that are not caused by food or medicine.	Yes - if there are other symptoms along with the diarrhea (such as vomiting, fever, abdominal pain, jaundice, etc.), the diarrhea cannot be contained in the toilet, there is blood or mucous in the stool, the child is in diapers or the staff member handles food or bottles. Children and staff may return 24 hours after their last episode of diarrhea unless the diarrhea is caused by an illness that requires them to stay home longer.
Fever Fever with behavior change or other illness. Babies who are 4 months or younger need to see a doctor right away for a fever of 100°F or higher.	A child should not be excluded if they have a fever with no other symptoms unless they are 4 months old or younger. Yes - if there is also a rash, sore throat, throwing up, diarrhea, behavior changes, stiff neck, or difficulty breathing.
"Flu-Like" Symptoms Fever over 100°F with a cough or sore throat. Other flu symptoms can include tiredness, body aches, throwing up, and diarrhea.	Yes - for at least 24 hours after the fever is gone. The fever needs to be gone, without using medicine that reduces the fever (acetaminophen or ibuprofen).
Coughing	Yes - if the coughing is severe, uncontrolled, or the child has wheezing, rapid or trouble breathing. Medical attention is needed for wheezing, rapid or trouble breathing. <u>Note:</u> Children with asthma may go to school with a written health care plan and the school is allowed to give them medicine and treatment.
Mild Respiratory or Cold Symptoms Stuffy nose with clear drainage, sneezing, and mild cough.	No - children and staff may go to school if they able to take part in usual activities. Children and staff should stay home if the symptoms are severe. This includes fever and if a child is not acting normally and/or has trouble breathing.
Vomiting/Throwing Up Throwing up two or more times in the past 24 hours, there are other symptoms in addition to the vomiting (such as fever, diarrhea, etc.).	Yes - until 24 hours after throwing up stops or a doctor says it is not contagious. If a child has a recent head injury, watch for other signs of illness and for dehydration. Adults who handle food and bottles must be excluded.

See second page for a list of illness that may require children or staff to stay home.

Illness	Child must stay home?
Chicken Pox	Yes - until the blisters have dried and crusted (usually 6 days).
Conjunctivitis (pink eye) Pink color of eye and thick yellow/green discharge	No - children and adults do not need to stay home unless they have a fever or are not able to participate in usual activities. Call your doctor for advice and possible treatment.
Croup (see Coughing)	Call your doctor for advice. <u>Note:</u> Children and staff may be able to go to school unless they are not well enough to take part in usual activities.
Fifth's Disease	No - the illness is no longer contagious once the rash appears.
Hand Foot and Mouth Disease (Coxsackie virus)	No - unless the child or adult has mouth sores, is drooling and is not able to take part in usual activities.
Head Lice or Scabies	Yes - children may stay at school or child care until the end of the day but cannot return until after they have had the first treatment.
Hepatitis A	Yes - until 1 week after the illness starts and when the child or staff is able to take part in normal activities. Children and staff should not go to another facility during the period of exclusion.
Herpes	No - unless there are open sores that cannot be covered or there is nonstop drooling.
Impetigo	Yes - children and adults needs to stay home until antibiotic treatment has started.
Ringworm	Yes - children may stay at school or child care until the end of the day but cannot return until after they have had the first treatment. Keep the area covered for the first 3 days if participating in sports with person to person contact.
Roseola	No - unless there is a fever or behavior changes.
RSV (Respiratory Syncytial Virus)	No - children and staff can go to school unless they are not well enough to take part in usual activities and/or they have trouble breathing. Call your doctor for advice.
Strep Throat	Yes - for 12 hours after starting antibiotics unless the doctor says that it is okay to return to school sooner. Children and staff also need to be able to take part in usual activities.
Vaccine Preventable Diseases Measles, Mumps, Rubella (German Measles), Pertussis (Whooping Cough)	Yes - Children and staff can return to school once the doctor says they are no longer contagious.
Yeast Infections Thrush or Candida diaper rash	No - follow good hand washing and hygiene practices.
Other Symptoms or illnesses not listed	Contact the child care center director or school health staff to see if the child or staff member needs to stay home.

CLPE PTO

Book Fair

It's Scholastic Book Fair Time! Our PTO is proud to sponsor this year's Scholastic Book Fair – Arctic Adventures - planned for Friday, February 14 through Friday, February 21 in the Media Center. We'll be open from 7:30 am – 3:30 pm each day. You and your kiddos are welcome to come browse and shop before and after school. Also, please join us at the Book Fair Family Night, scheduled for 3:30 pm – 7 pm on Thursday, February 20th. Grandparents, extended family, and loved ones are welcome to come out for a late afternoon/early evening of family fun at the bookfair, including a presentation from the W.O.L.F. Sanctuary and a visit with one of their Ambassador Animals (<https://wolfsanctuary.co/more-about-us/>), and a special story hour and photo opportunity with Elsa & Anna of Arendelle! Details and schedule will be sent home with the kids, closer to the book fair.

Scholastic is offering 3 additions to this year's Book Fair:

1. An expanded opportunity for online book fair shopping, including an large selection of additional books, games, educational toys and kits from the Scholastic catalog, that will remain open for one year. These additional items are not offered through classroom book fliers. You can enter the online book fair through our bookfair website starting February 8: <https://bookfairs.scholastic.com/bf/clpe>

2. A new eWallet option, accessible through our bookfair homepage, that allows you to set aside monies for your child to use at the Book Fair. With the eWallet, students won't have to bring cash to school, and once they have spent up to the limit you specify, the eWallet won't allow any more purchases. You can set up eWallets for your children starting January 30, on our bookfair website: <https://bookfairs.scholastic.com/bf/clpe>

3. Scholastic has an expanded Book Fair App, available for free for Apple® and Android™ devices. With the app, a quick scan of any book barcode will provide you with detailed information about the book, including the reading level and age group. Search for Scholastic Book Fair App, or click on the link provided on our bookfair website.

 SCHOLASTIC

POUDRE SCHOOL DISTRICT Early Childhood Program

Mission: We empower our community's eligible children and families to build a foundation for learning, as measured by their readiness for kindergarten and beyond.

What Do We Offer?

- Preschool programs open to children ages 3* to 5
- Highly-qualified licensed teachers will partner with the people who love and care for a young child most.
- Your youngster will become an emotionally strong, capable, skilled student who can navigate social settings with ease by the time they go to kindergarten.

Cost and Availability

We offer a multitude of options, depending on your family's unique qualifying factors:

- A limited number of half-day, four-day-per week tuition spaces
– Go online to view tuition rates (subject to change)
- Unlimited no-cost spaces for children who qualify for special education services
- Full- and half-day no-cost spaces for families that meet admission criteria

The Application Process

* Your child must be at least 3 years old on or before Oct. 1 to qualify for preschool.

Applications available online (www.psdschools.org) through the Early Childhood Education page (bit.ly/PSDpreschool). Have questions? Call 970-490-3204 to speak with an enrollment specialist.

- Our eligibility team will work with you to ensure your family qualifies for the available option that will best meet your child's and family's needs.

Locations

- Preschool programs are in 21 of PSD's elementary schools and five additional centers across the district's 1,800 square miles, allowing parents some flexibility based on current needs.
- **Note:** Placement is not guaranteed at your neighborhood school or top-choice location, but we do our best to consider parents' preferences upon admission.

Transportation

- Transportation is available based on many criteria. Please visit the PSD Transportation webpage at www.psdschools.org/programs-services/transportation to learn more about transportation eligibility.
- Children with IEPs may qualify, based upon their disability. Families who meet one or more of the federal definitions for homelessness may also qualify for transportation or reimbursement for transportation.

Eligibility Criteria for No-Cost Programming

Factors taken into consideration when you apply for no-cost programming may include any of the following:

Not sure where to start? Contact us!

We can help address your questions and concerns, and determine whether your needs qualify your family for our program. Call 970-490-3204.

Frequently Asked Questions

Question: I'm considering enrolling my child in PSD's Early Childhood Education program but want to make sure I'm researching all opportunities. Where can I learn more about early childhood options in Larimer County?

Answer: To learn more about PSD's programs, call us at 970-490-3204 or visit bit.ly/PSDpreschool. You may also contact the Colorado Shines Child Care Referral at Mile High United Way at 1-877-338-2273 for free referrals to licensed child care providers.

Q: I have difficulty maintaining care for my child due to their unique needs. Would PSD preschool still be an option for our family?

A: If your family meets the selection criteria, the strong and unique supports available to your child will mirror those available to all kids in PSD. You will enjoy partnering with our skilled classroom teaching teams to meet your child's needs. We have strong family mental health supports.

Q: Sometimes, I'm not sure how to deal with my child's challenging behaviors. So far, we've not found a program that works for us. Would PSD be a good fit?

A: Yes. Our trained and compassionate professionals will collaborate with you and your child to develop the best educational plan possible.

Q: How skilled are the type of people who would work with my child?

A: All of PSD's Early Childhood Education teachers meet or exceed Colorado licensing requirements. All our teachers and paraprofessionals are deeply committed to rigorous ongoing professional development and training to ensure they're the best for their students.

Q: I've heard that families and kids enrolled in PSD's Early Childhood Education programs have access to additional services. What do those include?

A: Services for all PSD Early Childhood Education program families include but aren't limited to:

Student screening and evaluations

- We will ask you about your child to determine where they are at developmentally; hearing and vision screening; PSD will collaborate with your pediatrician and other providers to support your child.

Developmentally-appropriate early childhood education

- Delivered by highly-qualified teachers licensed through the Colorado Department of Education. Approximately 60 percent of our teachers hold a master's degree.

Family services and parenting education classes

- Parenting classes; family engagement program; and PACT (Parent and Child Togetherness) events.

Referrals for community resources and services

- Health and dental; mental wellness, food, and housing supports.
