Welcome Back

Dear CLPE Families,

We are excited and enthusiastic to start off this year! While it will be a very different look to start with, we are up for the challenge and looking forward to meeting our new students. Please keep in touch with us if you have any questions or concerns. Our office will be staffed each day from 7:30-3:30 and we can help answer questions or direct you to the appropriate source. Teacher emails are listed on the CLPE website <https://cpe.pedschools.org/>. Virtual school is a challenge for all of us and with patience and perseverance we can make it through this very different beginning to school. Welcome aboard!

Reporting Absences during virtual instruction

Teachers will take attendance each day at the morning check in. If you know your child will be absent, you can go into ParentVue and on the child page, mark the reason for the absence. You are also welcome to call the attendance line at 490-3070.

Connections

Start of the year technology support!!!

If once you receive your PSD-issued laptop and you have issues, contact covidtechhelp@psdschools.org or the new support line at **970-490-3339**.

Need technology support this year?

PSD has you covered

Information Technology staff will support students and families who need help during remote education at covidtechhelp@psdschools.org or through the new family and student support line at **970-490-3339**.

Before the school year, IT will also launch a new technical support website that will offer device troubleshooting and application technical support information, how-to guides, a calendar with important upcoming dates related to PSD technology and more. Thank you for your patience during this time as IT staff work hard to support staff, students and families.

Laptop distribution

Laptops will be distributed to families that need them August 24th and 25th. We will send more information regarding this process.

The district will provide how-to guides for families to learn how to navigate these primary learning management applications that will be used this year to support their students (Google Classroom, Microsoft Teams, etc.). More information about the how-to guides and other IT support will be available soon on the [Technical Support and Resources web page](#).

CLPE PTO

The CLPE Parent Teacher Organization (PTO) exists to partner with parents and CLPE staff to bring a closer relationship between home & school, and to provide financial & volunteer services that enhance our children's educational facilities and opportunities. We are always seeking new members, and we invite you to join us!

We meet once each month, typically on the first Thursday of the month. This year, we'll start with video meetings instead of in-person meetings, and we'll likely move back to regular in-person meetings at some point in the post-pandemic future. Meeting notices and other information goes out by email to those who have joined our PTO email list.

Our typical activities include a fall fundraiser event (the Pirate Pegleg), Grandparent's Day, the annual Book Fair, Teacher Appreciation events/gifts, 5th Grade Legacy Project, and funding for various 'special project' requests from teachers and staff throughout the school year. This year will definitely look much different than previous school years, and we'll be re-thinking how we handle our fundraising event and all other activities as the year unfolds. Right now, we can definitely say the Pirate Pegleg will not be happening this fall as normal, but we are going to discuss alternatives for the event during our first meeting.

Our officers for the 2020-2021 school year are:

- President Katrina Winborn-Miller
- Vice-President Kara Houck
- Secretary Erica Danielle
- Treasurer Meghan Abrahamson

CLPE PTO

HOW TO JOIN: If you would like to join our email list, please send an email to us at ptoclpe@gmail.com and request to be added. *Please note the exact address, the letters 'pto' come first, not the other way around.* Our meeting notices and links to video meetings will go out via email, until we can meet again in-person. Even if you cannot attend our meetings, you can join the email list and stay updated on our happenings & needs, and vote on special project funding requests.

You can also follow us on Facebook, just look for Cache La Poudre Elementary PTO.

PLEASE NOTE: If you have selected the PSD Virtual option for this year, or if you are homeschooling your children this year but are intending to eventually come back to CLPE, then we want you to know that you are very much welcome to continue participating in our PTO this school year! We don't know exactly what this year will look like, but we are certain we will have opportunities to help out and contribute to our wonderful school, and we welcome any amount of participation you can provide.

One very important way to contribute to our PTO and our children's education is through the King Soopers Community Rewards program. Through this program, you can contribute to our PTO every time you shop at King Soopers! In this pandemic year, when we cannot host an in-person fundraiser event like the Pirate Pegleg, the contributions from this program are more important than ever, so please sign up.

A new way to add to our PTO fund is to use your King Soopers Card when you shop there. King Soopers will donate a small percentage of every grocery bill to a charity of your choice.

Do you have less than a minute to help our school? Join us in a no cost way to support the CLPE PTO through the kingsoopers shopper card community rewards program!

How To:

1. Online: <https://www.kingsoopers.com/i/community/community-rewards>
2. and click "Enroll now."
2. log into your existing King Soopers digital account. If you don't have one, you can easily create one.
3. Once logged in, search "CLPE PTO" or "XM984" to designate CLPE as your supported non-profit.
4. For every King Soopers store or fuel purchase, swipe your card or enter your phone number, and King Soopers will donate to our school.

PANDEMIC EBT (P-EBT) IS NOW AVAILABLE!

What is P-EBT?

P-EBT provides your family with funds to help buy food since schools were closed this spring due to the pandemic. You can receive up to \$279 per eligible child to stretch your food budget!

Who is eligible?

If your child was eligible for free or reduced-price meals last school year at a school that participates in the National School Lunch Program, or if they attended a school where all students eat breakfast and lunch for free, they are eligible to get P-EBT. Find out if your school is eligible at www.Bit.ly/3fUp9rs.

Immigration status does not matter for P-EBT and P-EBT is not part of the public charge rule.

How do I get P-EBT benefits?

You can access your benefits on an EBT or P-EBT card, which acts just like a debit card. If your household received SNAP in March, April, and May, your additional P-EBT benefit should automatically be loaded onto the EBT card you already have. If you were on SNAP but did not receive P-EBT on your card automatically by July 31st, 2020, or your household did not receive SNAP during the months of March, April, and May, you need to fill out a simple online application at ColoradoPeak.force.com/PEBT. If you've never had a Colorado EBT card before, a new P-EBT card will be mailed to you. It may take between 12-24 days to receive your P-EBT card. If you had a Colorado EBT card in the past, your benefits will be issued onto that card. You can email PEBT2020@state.co.us after submitting your application if you need to request a replacement card.

Applying for P-EBT is easy!

Go to ColoradoPeak.force.com/PEBT, you will need to provide:

- Your name, date of birth, mailing address where your card can be sent and a phone number in case the state needs to follow up on your application
- Your household size and income for the months of March, April, and May 2020 may be necessary
- The student's name, date of birth, school district, school name, and State Issued ID Number (sometimes referred to as a SASID*)

*If you did not receive a communication from your child's school with their State Issued ID Number, you can find that number on some student/parent portals or request it by contacting your school district's P-EBT contact (www.Bit.ly/3fUp9rs).

Your P-EBT card can be used to buy food at grocery stores, convenience stores, and even many farmers markets, so you can buy the food your family likes and support local businesses! More information on eligible purchases can be found at fns.usda.gov/snap/eligible-food-items.

Get free Colorado fruits and veggies when you use your P-EBT benefits at farmers' markets and grocers that participate in Double Up Food Bucks. Learn more at DoubleUpColorado.org

Did you try to apply and have issues? Send questions to PEBT2020@state.co.us

Meal Services During Remote Learning

Ensuring kids have access to nutritious meals during the 2020-21 school year is a top priority. PSD Child Nutrition and the Transportation Departments have teamed up to make sure meals are available to students at several locations across the district while PSD is in remote learning through Oct. 16.

Sack meals available for PSD students

Please note that meal sites and hours may change as needs and the program are evaluated.

PSD will offer sack meals to PSD students (beginning Aug. 24) from 11 a.m. to 1 p.m., Monday through Friday, at numerous PSD schools and additional locations (on scheduled school days).

Students will be able to get two sack meals - one sack lunch for that day and a sack breakfast for the following morning. [Menus will be available here.](#)

Cost of meals:

Free and reduced-priced meals - Students who have qualified for free and reduced-priced meals will receive meals at no cost. For information or to apply, [visit the Free and Reduced-Priced Meals website.](#)

Students buying meals will be [charged the normal breakfast and lunch prices.](#) Because of COVID-19, the district will only accept online payments through [SchoolPay accounts](#), but no convenience fee will be charged (typically \$1 per transaction).

- **Cache La Poudre Elementary**, 3511 W. County Road 54G, LaPorte Nearby mobile bus meal sites: **Meal distribution times M-F 11:00am-1:00pm**
- **Livermore Elementary**
- **Red Feather Elementary**
- Boys & Girls Club Png Lot Off Lancer
- **Stove Prairie Elementary**

GET FOOD ASSISTANCE IN A SNAP

DO YOU NEED HELP PAYING FOR YOUR MONTHLY GROCERIES?
 THE SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP)
 CAN HELP!

SNAP is....

- Available to those who qualify:
 There are enough benefits for everyone. Participating in SNAP doesn't take benefits away from anyone.
- Convenient and discreet:
 It looks and works just like a debit card

HOUSEHOLD SIZE	GROSS MONTHLY INCOME LIMIT	NET MONTHLY INCOME LIMIT
1	\$2,082	\$1,041
2	\$2,820	\$1,410
3	\$3,556	\$1,778
4	\$4,292	\$2,146
5	\$5,030	\$2,515
6	\$5,766	\$2,883
7	\$6,502	\$3,251
8	\$7,240	\$3,620
EACH ADDITIONAL MEMBER	\$736	\$369

With SNAP, you can...

- Buy nutritious and delicious foods:
 It helps the household afford personal and health food choices
- Shop where you want and how you want:
 SNAP benefits are accepted at most grocery stores, convenience stores, and even some farmers markets

To learn more, contact the SNAP Team at SNAP@FOODBANKLARIMER.ORG or by calling 970-829-0152

Science Matters Enrichment Class

Science Matters will have classes online. All three fall clubs are open for registration now. For each club, the deadline is the Thursday before the first Mon-Thurs clubs and two Thursdays prior to the first Fri, Sat and Sun clubs. The club is an hour of live instruction and materials are shipped prior to the first meeting. The earliest deadline for our first club, Bristle Bots, is Aug 20. See flyer below.

BEFORE/AFTER SCHOOL STEM Clubs
STEM (Science - Technology - Engineering - Math)

Science Matters In America

Enrichment Programs

Bristle Bots *Build your own robots!*
Aug-Sept Grades K-6 \$75
(5-week club, includes most supplies and S/H)
You'll mix science with your imagination to design and build your very own motorized, moving Bristle Bot and also make some crazy art with a Draw-Bot. Prepare your bots for drag racing and wrestling. Finally put all your knowledge to the test to engineer the perfect robot critter to take home!

Way Out Water *Everything to know about H₂O!*
Oct-Nov Grades K-6 \$75
(5-week club, includes most supplies and S/H)
Get ready...get WET...H-2-O! Water Engineers - come learn all about the world's most important molecule, H₂O, better known as . . . WATER. Use your engineering skills and put water to work with a water wheel, see sticky water, make paperclips that float on water and play America's fastest growing game, *Does it Float?* After this club you will never look at a glass of water the same way again!

Totally Toyriffic *Toys that teach!*
Nov-Dec Grades K-6 \$75
(5-week club, includes most supplies and S/H)
Science and Toys. What could be better? Become a Toy Technician as you learn the science behind many popular playthings. Explore science through the world of toys like the humming harmonica, gyroscopes, and tops. Build your own Nerve Tester game and power an electric circuit with nothing more than the touch of your hand. Our science workshop is filled with toys that teach. Come and experience the power of play!

Register for virtual clubs now!
