OUT OF SORTS THESE DAYS?

From the Principal

February is a short and busy month. We continued to be flexible and adapt with changing protocols as we work together to make school as safe as we can while maintaining the sense of community that makes CLPE special. Valentine’s Day parties, the 5210 challenge, and juggling the ever-changing weather were a few things that kept us busy during this past month.

March is a month focused on reading and the joy of reading. Read Across America Day is March 2nd. We invite everyone to join in the fun during our PTO hosted Virtual CLPE Pie-Rat Family Fun Night. We hope all students will dig into a good book and potentially visit the Scholastic Book Fair sponsored by the PTO the week of March 7th. We will also have a bit of fun with a Spirit Week connected to the book fair. We look forward to some fun, but please help message to your children the importance of still being able to focus and engage in learning even if they are dressed up. Dress up days should not interfere with daily learning.

We may have a few more snowflakes headed our way, but spring is just around the corner. We hope everyone enjoys their spring break and comes back rejuvenated and ready to finish the year excited about learning as much as possible.

Together we grow and continue to be Pirate Strong!

Be well,

Landus

...Eco-Week News

With COVID-19, it is uncertain what will happen regarding Eco-Week in the fall (in 2021, we had a one-day experience). We 5th Grade teachers are choosing to be optimistic, and hoping it'll happen.

Eco-Week is the fifth graders' opportunity to enjoy environmental and team-building learning activities in the great outdoors. It is one of the kids' best memories of their elementary school years. Here is some information about next year's trip.

When: September 12-14, 2022

Where: CSU Mountain Campus –website: <http://www.mountaincampus.colostate.edu/>

Cost: approximately \$150 (this may be smaller depending on the availability of grants). Also, scholarships are limited, so please start saving.

Keep your fingers crossed!

Hello Pirate Families,

This month I'll be circling back to the Approaches to Learning Skills. As a refresher, these skills are grounded in the belief that learning how to learn is fundamental to a student's education. The International Baccalaureate Organization has determined five sets of skills in total: Communication, Social, Self Management, Research, and Thinking. This month I'd like to share more about Communication Skills. Within Communication Skills, there are several sub skills including:

- **Listening**- including listening to directions, others, and information
- **Speaking**- speaking clearly, giving reports to groups, and expressing ideas
- **Reading**- reading for a variety of purposes, comprehending what is read, reading fluently and with expression
- **Writing**- recording information, taking notes, writing summaries and reports, writing stories
- **Viewing**- interpreting and analyzing information, understanding how images and language express ideas, values and beliefs
- **Presenting**- constructing visuals for various audiences and purposes, communicating ideas through various media, the ability to use technology for presentations
- **Non-verbal communication**- understanding the body language of self and others

Here are a few ideas for ways you can help support communication skills at home.

Stay curious,
Mrs. Parton

PTO MEETING THIS WEEK

In-person meeting this week! Please join us this Thursday, March 3 at 8:15am in the Professional Development Room 150 at CLPE. We will set up the book fair in this same room after the meeting, if you're able to help.

Meeting info and upcoming events are also posted to the PTO site at clpe.ptboard.com.

NEWS

The PTO approved spending \$300 to establish a new Angel Fund for supporting CLPE families with \$25 phone cards and gift cards to King Soopers and Walmart to be distributed to families in need at the discretion of school administration.

The PTO also approved the purchase of new colored playground balls to replenish those worn or lost in classroom sets. They were delivered to classrooms with cheers from the students!

UPCOMING EVENTS

What's happening in Art and Library this month? March 2022

Art

We've been working on a lot in art, creating interesting projects using our 8 Studio Habits of Mind:

Observe, Understand the Art World, Envision, Stretch and Explore, Develop Craft,

Engage and Persist, Reflect and EXPRESS!

Kindergarten: Learning about artists like Kandinsky and, in March, Faith Ringgold

1st: Learning to Weave on a cardboard loom, plus creating a clay medal celebrating personal strengths like in the Olympics

2nd: Learning about artist, Hokusai, by creating a shrinky dink of the "Great Wave," plus creating a clay medal celebrating personal strengths like in the Olympics

3rd: Learning different techniques and how artists create Artist Trading Cards (ATC), small artworks to trade

4th: Weaving and other Patterns in Art and Nature

5th: Creating their own Mini Art Galleries and writing an artist's statement about their work

Looking forward to Art Shows (March is YAM Youth Art Month:

SuperArt (the superintendent's art show) is on display in the PSD School Board room. Naomi T. has featured art there for the next year!! Congratulations!

April will bring the **Designs & Images PSD Art Show** at CSU's Hattan Gallery. Artists and families will be notified if they are in the exhibit

Library/ Media Technology

Digital Citizenship is an important part of being online. Students have learned about being a positive role model on the eb through the following websites:

Music Class Updates

With the removal of the mask mandates in our schools, it has been wonderful to observe how well our CLPE Pirates treat each other! Those students wearing masks and those not wearing masks have been kind and supportive to one another in the music room! While I continue to wear a mask for personal health reasons, I respect those who choose not to mask, and I have been so happy to see student faces in many situations. We continue to limit our singing to short periods of time, less than 15 minutes total per class, to avoid unnecessary risk and/or quarantines, but we may be able to increase this time as community transmission rates improve. We will be exploring music from various cultures this spring; we have enjoyed exploring music related to Black History Month in February, and we will support exploration of Asian American and Pacific Islander Heritage Month in May.

Grade Level Program Performances

We have set the dates for brief grade level performances in the CLPE gym! They are as follows:

Thursday, April 7:

5:45 p.m. Kindergarten

6:30 p.m. Second Grade

Thursday, April 21:

5:45 p.m. First Grade

6:30 p.m. Fourth Grade

Thursday, May 5:

5:45 p.m. Third Grade

6:30 p.m. Fifth Grade Showcase

Please watch for details about logistics in your email and via notes sent home three to four weeks prior to your students' performance dates.

For various reasons, including not having been able to sing for lengthy periods of time, these performances will be brief—less than fifteen minutes in most cases. Only fifth grade will present a longer program, as they will present a Showcase with a few combined songs and then solo or small group acts. We have begun discussing this with fifth graders in music class, and information will be sent home regarding auditions for solo and small group acts. All fifth graders will perform in the full group songs; auditioning to perform solo or in a small group is optional.

Music Class Updates*continued***Asynchronous Work**

If your student is absent for any reason, but especially if the absence is an extended one, your student will be able to access most of the class activities online. Simply visit Mrs. Flail's Learning Page on the CLPE webpage, click the "Asynchronous Work" heading at the top of the main page, and then click the date for the week music class was missed. This will take you to a Google slide show which can be accessed by anyone signed in with their PSD account. For each slide, there are instructions in the "notes" section below the slide, and there are headings when an activity is targeted to a certain grade level. Of course, some activities cannot be completed outside of class, i.e., playing guitars, singing together, echoing the teacher, etc., but the bulk of the content will be accessible for students wishing to explore it. THIS IS ANOTHER WAY TO ACCESS QUAVER SONGS AND GAMES WE HAVE USED IN CLASS!

Quaver Music-new PSD link

Our district link to Quaver has changed! It is now www.tinyurl.com/2022Quaver. Please update any bookmarks you may have saved in your internet browser. Our district has a special license and website for accessing student accounts through Quaver Music. These accounts are automatically created by our district technology team, and you do not need to create a username or password. Be sure to visit www.tinyurl.com/2022Quaver and sign in using your student's PSD email and password. If you are asked to answer Yes or No, click No. Then you should be at the student dashboard, where your student can explore items like the "Creatives" and other activities.

PLEASE NOTE: DO NOT access Quaver through the Quaver website-it won't work with our special logins/accounts. Be aware that when you "Sign Out" from your Quaver account, you are often automatically sent to the main Quaver page, but that page will not work for your PSD login. You can click the tinyurl link above, or the Quaver button on the home page of Mrs. Flail's Learning Page. You can also bookmark the page when you are logged in! Let me know if you have questions or problems.

Thank you for your efforts in supporting your students in all areas of music learning. We appreciate you all SO much!

As always, please contact me with any questions or concerns.

COLORADO
Department of Public
Health & Environment

To: Parents/Guardians of students enrolled in Colorado schools
From: Colorado Department of Public Health and Environment, Immunization Branch
RE: Tdap vaccine required at 6-grade entry

January 20, 2022

Dear Parent/Guardian,

In Colorado, students entering 6-grade are required to get the tetanus-diphtheria-pertussis (Tdap) vaccine before they start school. See www.colorado.gov/pacific/cdphe/schoolrequiredvaccines.

Tetanus is a rare, non-contagious disease that can cause painful muscle tightening and stiffness; people can get tetanus through a cut or wound. Diphtheria is a rare, contagious disease that can cause breathing problems, heart failure, and other serious issues. Pertussis, or whooping cough, is a very contagious disease that can cause severe coughing spells, difficulty breathing, and other serious issues, especially in infants, toddlers, and other people who have weakened immune systems. Adolescents who get pertussis can be sick for up to three months.

A Tdap dose administered at 10 years of age counts as the adolescent Tdap dose and meets Colorado's 6th grade Tdap requirement: <https://www.cdc.gov/vaccines/hcp/acip-recs/vacc-specific/dtap.html>

If your student does not receive Tdap vaccine and does not meet Colorado's 6th grade Tdap requirement, a Certificate of Medical Exemption or an annual Certificate of Nonmedical Exemption must be submitted to the school: www.colorado.gov/vaccineexemption. **This will assure that your student is in compliance with the Colorado school immunization law and be allowed to attend school.**
