From the Principal

Dear CLPE Families,

Happy Spring! I hope everyone had a fun, relaxing spring break. Now that we have had a break, we are ready for the final trimester for this school year. Our students have worked so hard this past trimester! We are proud of them. Thank you to families for supporting them.

It has been another interesting year to say the least. I am so impressed with our community and the way we have come together to problem solve and get creative when we have had to. Our students have grown and taken each bump in the road with flexibility and compassion. At IB schools we value students being curious about the world. We promote them to wonder and grapple with things that may not come easily to them. These past two years have certainly given them the opportunity for many wonders and lots of problem solving.

kw KELLERWILLIAMS, REALTY
NORTHERN COLORADO

From the Principal

continued

Spring is often a time for celebrations. We are excited to bring back music performances as well as begin to plan for end of year events. We look forward to coming together to honor our young learners in ways that are meaningful, fun and safe. Exhibition is one such example. It involves 5th graders working collaboratively to conduct an in-depth inquiry into real life issues or problems. Continuation is also a tradition to honor students moving from elementary to middle school. We will be in touch with our 5th grade families as we firm up plans to celebrate with our students. Stay tuned for updates around the above-mentioned events as well as field day and other end of year celebrations.

This month we start our state assessments. These assessments align with the Colorado State Standards and are administered to help us understand how children are progressing in their learning. Staff will analyze these results along with other data from our local assessments to help design lessons to best meet your child's needs as well as guide our school improvement planning. Remind your students to not be overstressed by this assessment and to simply do their best and show what they know. Please try to schedule appointments etc. outside the testing times. It is important to get students to school on time as we will not send a student into the classroom once testing has started. Parents will receive information about their child's individual results in the fall. See the testing schedule below. Please contact the office if you have any questions or concerns.

We are honored and excited to continue our partnership of growing and learning with you and your child. Spring is upon us and the sun is shining. Let's make this 3rd trimester our best yet!

Together we grow!

From the Assistant Principal

Dear CLPE families,

Each year, students in grades 3-11 take the [Colorado Measures of Academic Success](#) standardized tests, which assess how students are meeting Colorado's academic standards in each subject and grade level. This assessment provides valuable information for our school and teachers, who use the data to understand where students are in their learning and tailor instruction accordingly. The district also uses these results to measure overall student academic progress and identify opportunities for improvement. CLPE will begin CMAS testing on April 4th.

Our school's testing schedule is as follows. All testing times are in the morning.

English Language Arts

- 3rd Grade: April 4th-6th
- 4th Grade: April 12th-14th
- 5th Grade: April 11th-13th

Math

- 3rd Grade: April 11th-13th
- 4th Grade: April 12th-14th
- 5th Grade: April 4th-6th

- 5th Grade: April 18th-20th

You can help us make this a successful experience for your child by ensuring they are rested and at school on time. We are still providing breakfast if needed.

To excuse your student from state assessments, you may complete a Parent Excusal form digitally by logging into [ParentVUE](#) and accessing Services Tracker. Instructions and screenshots on how to do this can be found [here](#). Please note that you will need to fill out a form for each subject area. You may also print a PDF version of the "2020-21 Opt Out of State Testing Form" and return it to your school. Forms are available in [English](#) and [Spanish](#).

For more information about state assessments, visit the Colorado Department of Education [website here](#).

Please let me know if you have any questions and thank you for your support.

Sincerely,

Colleen Worman

From the Assistant Principal*continued*

Estimadas familias de CLPE:

Cada año, los estudiantes de los grados 3 a 11 toman las [Pruebas Estandarizadas de Medidas del Éxito Académico de Colorado](#), que evalúan cómo los estudiantes están cumpliendo con los estándares académicos de Colorado en cada materia y nivel de grado. Esta evaluación proporciona información valiosa para nuestra escuela y los profesores, que utilizan los datos para entender dónde están los estudiantes en su aprendizaje y adaptar la instrucción en consecuencia. El distrito también utiliza estos resultados para medir el progreso académico general de los estudiantes e identificar oportunidades para mejorar. CLPE comenzará las pruebas CMAS el 4 de abril.

El horario de las evaluaciones en nuestra escuela es el siguiente, Todas las evaluaciones seran por la mañana:

Artes del lenguaje inglés

- Grado 3: 4-6 de Abril
- Grado 4: 12-14 de Abril
- Grado 5: 11, 12 y 14 de Abril

Matemáticas

- Grado 3: 11-13 de Abril
- Grado 4: 12-14 de Abril
- Grado 5: 4-6 de Abril

Ciencias

- Grado 5: 18-20 de Abril

Usted puede ayudarnos a que esta sea una experiencia exitosa para su hijo asegurándose de que esté descansado y llegue a la escuela a tiempo. Todavía estamos proporcionando el desayuno si es necesario.

Si no desean que su estudiante tome las evaluaciones estatales, pueden llenar el Formulario de Exclusión de las Evaluaciones Estatales, de manera digital, a través de [ParentVUE](#) utilizando Services Tracker. Las instrucciones para llenar el formulario en mención se pueden encontrar [aquí](#) (para leerlas en español, hagan clic en “Select Language” [Seleccionar el idioma], que está situado en la barra superior verde, y buscar “Spanish” [español]). Tengan presente que deberán llenar un formulario para cada área temática. También pueden

imprimir una versión en PDF del "Formulario de Exclusión de las Evaluaciones Estatales - Año académico 2020-21" y entregarlo a su escuela. Los formularios están disponibles en [inglés](#) y [español](#).

Para obtener más información sobre las evaluaciones estatales, visiten el sitio web del Departamento de Educación de Colorado, [haciendo clic aquí](#).

Si tienen alguna pregunta, comuníquense conmigo. Les agradezco mucho su apoyo.

Cordialmente,

Colleen Worman

Asistente de la Directora

CLPE

Office Notes

- As this school year winds down, we start planning for our next school year. If you are moving out of Poudre School District and your child will not be here next year, please let us know. We will forward permanent records to our records department and they will forward those to your child's new school.
- May 25 is the last day of school and is ½ day. School releases at 11:25am. Breakfast will be served. No lunch service. Buses will drop students off 3 ½ hours earlier than normal.
- Start looking for those lost library books. All library books will be due the beginning of May. This gives everyone plenty of time to check under beds etc... 😊
- As the school year winds down, please remember that any medication left over at the end of the year will need to be picked up by a parent or guardian. We will not send any medication home with a student, prescription or over-the-counter. Medicines that are left at the end of the school year will be disposed of by the school nurse.
- Missing coats or other items? Please be sure to check the lost and found. We will donate lost and found items at the end of the school year.

continued on next page

Office Notes

continued

- Our volunteer system is changing next year. If you are registered volunteer, you may receive an email requesting you to update your information. Next year all volunteers will need to bring a drivers license to sign into the system. Please give us a call if you have any trouble updating your information.
- For next year, if you know your student will need medication at school, authorization forms are available on the PSD website. Go to the Poudre School District website, click on the Parent tab, then to Health Services and scroll down for the appropriate form. New forms must be submitted every year. Any prescription or over-the-counter medicines require an authorization form. As always, these forms are available in the office until the end of this school year and on the CLPE website. Please call 488 -7600 with any questions.
- Student's going into 6th grade will need a **Tdap** immunization. If your child receives this before the end of the school year, bring in the proof of immunization and we will record it in the student information system.

What's happening in Art and Library in APRIL?

Happy Spring!

Library

I need 2-3 volunteers to help in the library!!! I'm so excited that we can have volunteers now! It's inventory season for our CLPE library. I need help getting ready for inventory at the start of April and beginning inventory at the end of April. If you are interested in helping to organize and/ or scanning books for inventory, please email me at saconn@psdschools.org.

Lost or missing books: Notes will go home this month with students who have overdue books. Please help your student find the book so that you won't be charged for replacement. The price of the book, plus a processing fee will be applied to students' School Pay accounts. It is much less work if the book is returned and there won't be a delay in reordering. I'd appreciate your efforts!

What's happening in Art and Library in APRIL?

continued

Art

We have been working on a variety of art projects lately:

Kindergarten: We studied Faith Ringgold and her story quilts and created stories on fabric. Also, students created small framed art.

1st grade: We've been weaving!

2nd grade: birds drawn, in clay and their nests

3rd grade: Artist trading cards, small works of art that they will trade with their classmates

4th grade: Weaving and graphic design using fractals and symmetry

5th grade: We're beginning watercolor painting using interesting techniques along with a final watercolor painting using learned skills.

All Students will be creating more art in clay this month.

The district art show, PSD Designs & Images, will be virtual again this year. The show will begin at the end of April. Families will be notified if their student art is in the show, and an email will be sent out to everyone with the link to view the art show.

NEW Covid Protocol

When not related to a documented chronic health condition, symptoms that require a negative test to return to school include fever, feeling feverish, shortness of breath, nausea, vomiting, diarrhea, cough, sore throat, runny nose, congestion, muscle/body aches, headache, fatigue, new loss of sense of taste or smell. Home tests are acceptable. Please write the date, time test administered and child's name and send a picture to the office. If you test positive or choose not to test, you must remain home for five days and wear a mask on days 6 to 10 when you return, per public health requirements. Please click on the link for further guidance. <https://tinyurl.com/2p8ph8xy>

Coordinator Corner

Hello Pirate Families,

Happy April! This month I'm wrapping up our final Approach to Learning(ATL), social skills. We believe that strong social skills are a vital part of a child's education. Just as with the other ATL's, there are several sub skills within social skills including:

- **Accepting responsibility**- the ability to take on a task and complete it, sharing responsibility, taking ownership of actions
- **Respecting others**- listening to others and making decisions based on fairness, recognizing that others' beliefs and viewpoints may be different, the ability to state opinions without hurting others
- **Cooperating**- getting along with others in a group, being courteous, sharing, taking turns
- **Resolving conflict**- listening respectfully to others, compromising, reacting reasonably to a situation, being fair
- **Group decision making**- listening to and discussing others' ideas, asking questions, the ability to work toward an agreement
- **Adopting a variety of group roles**- being a leader and a follower, behaving in a way that is appropriate for the situation

Here are a few ideas that you might use to support your learner's social skills at home:

Stay curious,

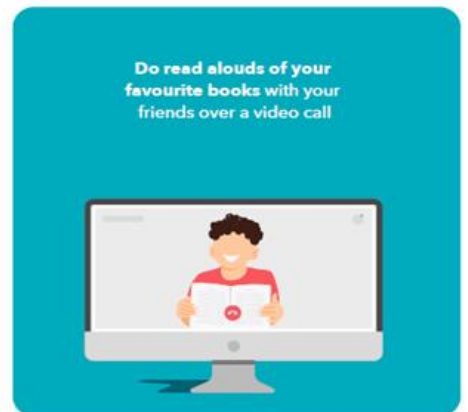

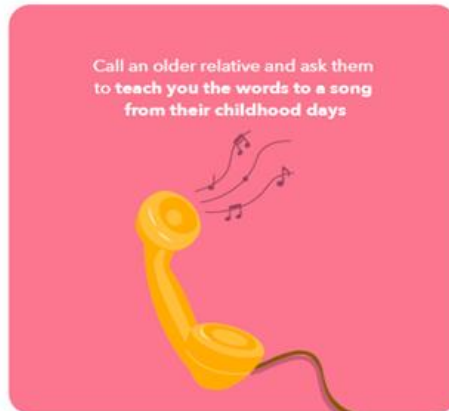

Mandy Parton, IB Coordinator

Thank you PTO

Thank you to the CLPE PTO for all the work they did setting up the Scholastic bookfair so our students and families could have a safe and fun experience! This event required many hours for set up, keeping it open and taking it down! We appreciate all your efforts! Thank you from all the teachers that received some awesome books for their classroom! Special thanks to Theresa Baer, Katrina Winborn-Miller, Carrie DeJulio, Amber Epstein, Sarah Foster, Chelsea Wisdom, Betsy Elliott and all the parent volunteers that stepped up to keep the bookfair running during the day and in the evenings!

PTO

JOIN US - PTO MEETING NEXT WEEK!

Please join us in person **next Thursday, April 7 at 8:15am in the Professional Development Room 150 at CLPE**. Meeting info and upcoming events are also posted to the PTO site at clpe.ptboard.com.

We welcome you and your input. All parents/guardians are invited to become involved in supporting CLPE through the Parent Teacher Organization. Even if you cannot attend the monthly meetings, you can be informed and involved by receiving PTO emails and participating in voting, fundraising and events, etc. To join, please email your name and email address to: PTOclpe@gmail.com.

NEWS

- Close to 60 families participated in the Virtual CLPE Pie-Rat Family Fun Night on March 2. Thanks for joining in the fun and bearing with any technical glitches. A very sincere thank you also goes to Laporte Pizza and Me Oh My for offering up prizes and specials for our school community. Hopefully everyone had some fun and felt some sense of community. Keep those fingers crossed for the revival of an in-person event next year.

Virtual CLPE Pie-Rat Family Fun Night

Thanks to our sponsors and the families that participated!

- **Book Fair was a hit!** The kids loved shopping in person, participating in the guessing games and winning prizes, and of course, the random classroom giveaways. **Plus, we earned approximately \$3,800 in Scholastic Dollars for CLPE to make purchases for the library!** We are grateful for all the families and staff that visited or shopped online as well as the volunteers that made the event a success.

UPCOMING EVENTS

- **Teacher/Staff Appreciation is May 2-6**
Share your ideas and join the discussion at the next meeting regarding how we show our gratitude for the wonderful staff at CLPE.
- **Another Read-a-thon and possibly other fun activities are in the works!**
Stay tuned for details—or join in the discussion at the next meeting!

District Advisory Board

In the February meeting of the District Advisory Board there were two presentations. The first was from the calendar committee. All parents, staff, and students in 6-12 were provided with the calendar survey in December. This was prompted by many questions about heat mitigation and fall break, and formal input had not been collected in several years. Recommendations are being compiled for the 23-24 school year and will be presented to the school board in April. There was also a presentation by John McKay, the Director of Language, Culture, and Equity. The district is working to identify Principles of Community to identify a set of values or beliefs to support the district mission to Educate Every Child, Every Day. As an organization, we need to be clear in defining the words; value and principle, a list of what constitutes our values and principles, and definitions for each of those words. It was explained that these definitions are critical when, for example, mediating disputes within the schools, that we all have a common definition of terms like "respect." For more information on the findings of the recent calendar survey, visit: <https://www.psdschools.org/your-district/calendars>

In the March meeting, PSD's Chief Institutional Effectiveness Officer, Dr Dwayne Schmitz presented. There is concern that, compared to similar state districts, PSD is top in reading and math but unfortunately has lower graduation rates. They believe that Connection is an important piece to this puzzle, and that students who feel connected, loved and cared for generally do better in school. The district as a whole has decided to focus on improving connections via literacy interventions. 26 schools: 15 elementary and 11 middle schools, will have a literacy review, some including family focus groups. According to PSD connections survey results, when students are asked the question "what are your hopes and plans for your future?" 93% of students say a parent or guardian plays a part in this answer, and 60% say coaches. This highlights some of the most important connections for our children and is a question we should ask our children periodically throughout their student career. Additionally, PSD families are not taking advantage of college scholarships and federal student aid available to them as much as they could be. The district needs to work on informing students and families of all the resources available to them. To see the PSD connections surveys visit:

LEARNING TOGETHER WORKSHOPS

Saturday April 2, 2022 9am-1pm

ELEMENTARY SCHOOL WORKSHOPS

ECO EXPLORERS

See, feel, and hear science in our local ecosystem. You and your accompanying adult will immerse yourselves in nature through observation, stories, games, and creativity.

Cost: \$50 (for student + adult)

Grade Levels: 1-6

Fossil Ridge High School

Candy Lab

Do you enjoy science experiments AND sweet treats? In Candy Lab, you and your accompanying adult will explore chemistry concepts as well as make different types of candy.

Cost: \$50 (for student + adult)

Grade Levels: 3-6

Fossil Ridge High School

MIDDLE SCHOOL WORKSHOPS

This is Rocket Science!

Do you just love building really, really fast things? This workshop is for you! Come learn how to build and launch your own rocket with your accompanying adult. (Rocket launch weather permitting.)

Cost: \$65 (for student + adult)

Grade Levels: 6-8

Fossil Ridge High School

Shine Your Light

You and your accompanying adult will work together to create a table lamp with a CNC Plasma cut base and wood body. You will also learn basic electrical wiring.

Cost: \$65 (for student + adult)

Grade Levels: 6-10

Fossil Ridge High School

Engineering Brightness

In this workshop, you and your accompanying adult will design a safe, hand held, 3D printed, sustainable lantern.

Cost: \$65 (for student + adult)

Grade Levels: 6-10

Preston Middle School

All workshops require students to be accompanied by an adult.
Snacks will be provided.

Register online: STEM-X.ORG

Open to ALL students from any public, private, or international school.

STEM-X presenta

TALLERES "APRENDAMOS JUNTOS"

Sábado 2 de abril de 2022 - De 9 a.m. a 1 p.m.

TALLERES PARA LA ESCUELA PRIMARIA

EXPLORADORES ECOLÓGICOS ("ECO EXPLORERS")

Va, siente y escucha las ciencias en nuestro ecosistema local. Tú y el adulto que te acompaña se meterán de lleno en el mundo de la naturaleza, a través de la observación, las historias, los juegos y la creatividad.

Costo: \$50 (por estudiante + adulto)

Grados: 1 a 5

Fossil Ridge High School

La química de las golosinas ("Candy Lab")

¿Te gustan los experimentos científicos y las golosinas? En esta clase, tú y el adulto que te acompañe explorarán conceptos de química, y harán diferentes tipos de golosinas.

Costo: \$50 (por estudiante + adulto)

Grados: 3 a 5

Fossil Ridge High School

TALLERES PARA LA ESCUELA INTERMEDIA

¡Esto es tecnología de cohetes! ("This is Rocket Science!")

Si te encanta construir cosas que se desplacen muy, pero muy rápidamente, este taller es para ti. Ven con un adulto que te acompañe para aprender la manera de construir y lanzar tu propio cohete. (Se lanzará el cohete siempre y cuando haya buen clima.)

Costo: \$65 (por estudiante + adulto)

Grados: 6 a 8

Fossil Ridge High School

Haz que brille tu luz ("Shine Your Light")

Tú y el adulto que te acompañe trabajarán juntos para crear una lámpara de mesa, con una base hecha con cortador de plasma CNC, y cuerpo de madera. También aprenderás acerca del cableado eléctrico básico.

Costo: \$65 (por estudiante + adulto)

Grados: 6 a 10

Fossil Ridge High School

Luminosidad por medio de la ingeniería ("Engineering Brightness")

En este taller, tú y el adulto que te acompañe diseñarán una linterna ("lantern") sostenible, segura y portátil, impresa en 3 dimensiones.

Costo: \$65 (por estudiante + adulto)

Grados: 6 a 10

Preston Middle School

Todos los talleres requieren que los estudiantes estén acompañados por un adulto.

Se proveerán tentempiés o refrigerios.

Regístrate en línea: STEM-X.ORG

Se invita a TODOS los estudiantes que asistan a una escuela pública, privada o internacional.

Live, LAUGH, Love: Techniques to Better Manage Stress at Work & Home

With the end of a difficult school year upon us, stress levels are high and overwhelm can set in. Can you remember when there was more time to laugh and have fun? You are invited to put down your pen, get up from your computer, and discover once again the de-stressing value of laughter and play!

Join Kaiser Permanente and the Colorado Department of Education as we explore techniques to better manage stress and cope with every day demands through laughter and play. This interactive workshop includes an opportunity to engage in exercises and improvisational theatre techniques to feel lighter, increase well-being, and laugh out loud. You'll walk away with a greater sense of connection as well as ideas for regularly incorporating more joy into your day.

Session 1: Thursday, April 7; 4-5:30 p.m.

Session 2: Thursday, May 5; 3:30-5 p.m.

Open to all school leaders and staff. Visit <https://bit.ly/laughterforStressRelief> to register or scan the QR code to the right!

BEFORE/AFTER SCHOOL STEM Clubs

STEM (Science - Technology - Engineering - Math)

Enrichment Programs

RADICAL REACTION LAB Enter our reaction lab and you will be transformed into a chemist! Create chemical concoctions that fizz, bubble, and ooze. Make your own chemical reactions to create a super polymer bouncy ball, meet the mysterious Mushroom Men, create your own Magic Crystal, and much more. If you like mixing things up, then come get Radical in our lab!

Starts 1/10/2022

SCIENCE BLOOPERS AND PRACTICAL JOKES OOPS! Is it a blooper or something quite super? Discover the fun behind Serendipity Science as we use some crazy science to do amazing projects. Create your own Talking Cup. Experiment with the vanishing quarter. Have fun with your friends doing Amazing Feats of Science. Astound an audience with our terrific but very scientific magic tricks. Sign up today, and you'll be the one who has the last laugh!

Starts 2/28/2022

BLAST INTO SPACE SPACE: The Final Frontier! In this club you will train to become a Space Voyager. Learn about our Solar System, Planets, and beyond. Design your own space vehicle. Find out how it would be to live and work in space. Enjoy Astronaut Ice Cream. Build your own squeeze rocket. Don't miss out on this cosmic adventure!

Starts 4/11/2022

Cache La Poudre Elementary

- Class Meets on Mondays from 3:00 – 4:00pm in Room 193
- Grades K-5
- Price: \$85
