From the Principal

October already!!! The new school year is off and running. We have been in school for just over a month and all classes are in full swing. It is amazing how fast the year goes. It is a reminder to us that every minute counts in school as we work together to make learning authentic, relevant, and interesting!

Thank you for sending your children to school well rested and on time. Attendance has a huge impact on a child's education. We expect students to have **no more** than 10 absences for the entire year. Please remember we believe that communication is key – don't hesitate to contact us should you

have any concerns, questions, or comments. Research shows, and common sense tells us that when schools and families work together children benefit.

October is the month for our fall conferences. Conferences are a great way for teachers and parents to start a yearlong commitment to communication about the education of your child. The focus will be an opportunity to reflect on the year so far, share insights and wonderings as well as set goals for the rest of the year. Parent teacher conferences are scheduled with your child's teacher. Most conferences will take place the week of October 10th. Conferences will take place in person or virtually. Please work with your child's teacher to find a time that will work for you, as our goal is to meet with a parent or guardian of every student!

We are amazed and grateful for all the energy put into the Pirate Peg Leg Fun Run sponsored by the PTO. This is the one fundraiser our PTO coordinates annually and we always feel so appreciative to our community for working together to raise money and create a fun experience for our students. Students participated in our annual fun run on the morning of September 30th. This fundraiser supports our school in a variety of ways. Thank you to everyone who sponsors our students and helps them earn money for the school. We have a truly amazing group of parents, extended families and community that are committed to helping our school.

We are looking forward to enjoying fall as October is upon us. Thank you for sharing your children's knowledge, energy, and curiosity with us. We are pleased to be able to work with and serve this wonderful community!

October Count is going on now!

1. What is the importance of October Count?

October Count is very important. This is what is used to calculate the funding that is received by the schools and by the district. Funding helps pay for teachers, support staff, books, supplies and many of the programs the school offers.

2. What do parents need to know about the importance of student attendance during this period?

A student must establish attendance to be included in the count, so it is very important kids are here during the 2-week count period. If the student is absent on the official count day, October 3rd, attendance from the previous week and the following week are used to meet the attendance requirement.

Thank you for your help with getting your students to school!

No Dogs Allowed

Many of us are dog lovers, however unexpected situations can occur with children and dogs running around before and after school. Please do not bring your dog on campus during school hours. Thank You!

Before School/After School

Breakfast morning supervision starts at 7:30. Please do not drop off your student at that time unless they are planning to eat breakfast in the cafeteria. To have breakfast students enter the cafeteria on the west side of the building and eat in the cafeteria. At 7:45 students may begin to line up at their outside classroom door to wait for their teacher to open the door at the start of the day at 7:50.

Alphabest childcare is available before and after school from 6:30-7:50am and 2:35-6:00pm. To enroll in Alphabest, go <https://www.psdschools.org/AlphaBest>.

SNACKS AT SCHOOL

Students are encouraged to bring a healthy snack to school each day. Often students come to school without one. This can be a sad situation at snack time. The PTO has generously offered to provide each classroom with a few snacks for students who are unable to bring a snack or forget it occasionally. Unfortunately, our school cannot provide snacks for all students every day. Please remember to send a snack with your child each day. Thank you.

Immunizations

All student immunizations and exemptions must be completed by November 1, 2022. Students that are due for immunizations or need an updated exemption form should have received an electronic email indicating that this is due. After November 1, students may be excluded from school until they are updated.

Please bring a copy of updated immunizations or the exemption form to the office. If you have any questions, please contact Sheri Furlott, RN or Trish Rundquist at 970-488-7600.

Volunteering at CLPE

PTO NEWS

Pirate Pegleg Parade fundraiser!

Our CLPE community is amazing...THANK YOU!

At the time of this publication, neither the fundraiser nor the run have been completed, but the amount of money raised continues to tick upward, which is absolutely incredible! The PTO and CLPE teachers/staff are SO appreciative of the efforts and contributions from all CLPE families, friends and neighbors to help raise funds for items like recess equipment, supplemental books/magazines, snacks for those in needs, field trips, family nights, read-a-thons and much more. Look for final numbers in the coming weeks and THANK YOU AGAIN!

Special thanks to the following organizations for sponsoring our event—we couldn't do it without you!

Upcoming events & activities

Next PTO meeting is Tuesday, October 25. Monthly business meetings will take place the last Tuesday of each month at 8am in Room 150, the Professional Development Room, at CLPE.

Fall Secret Garden Cleanup is Tuesday, October 25, 10am-noon. If you're able to join us with your gloves, rakes and shovels, we'll provide the trash bags. Sign up at <https://bit.ly/3ChhCB2>.

Evening meetings? We understand not everyone can make daytime meetings, so we held our first evening meeting last month and really appreciated those that attended, but we'd love to have more involvement! Look for a survey soon to help us accommodate a greater number of parents/guardians—we need you!

School directory: The PTO publishes a directory of student/parent info to help you get in contact with friends. Look for an email and forms coming home to opt in with the info you decide to include.
