From the Principal

Dear Pirate Families,

Happy Spring! Now that March is behind us, we only have 2 months left of school and have much to do! Our CMAS testing begins this month for 3rd-5th grades. These tests assess how students are meeting Colorado's academic standards in each subject and grade level. This assessment provides valuable information for our school and teachers, who use the data to understand where students are in their learning and tailor instruction accordingly. The district also uses these results to measure overall student academic progress and identify opportunities for improvement. You can help us make this a successful experience for your child by insuring they get a good night's sleep, a healthy breakfast and arrive to school on time. Many tests will begin soon after the school bell rings (7:50). Once the testing begins, students will not be allowed into their classroom. Please do everything you can to get your child to school on time and if possible, schedule appointments outside the testing windows. The testing schedule is listed below.

Monday	Tuesday	Wednesday	Thursday	Friday
3	4 CMAS Math, 5th, Unit 1 8:10-9:15	5 CMAS Math, 5th, Unit 2 8:10-9:15	6 CMAS Math, 5th, Unit 3 8:10-9:15	7

We want to thank our amazing PTO for putting together the Scholastic Bookfair, arranging for all the incredible activities and food trucks for our Family Night and for all the hard work they did to set up, manage it daily with excellent customer service and take it all down just before spring break. Thank you to Carrie DeJulio, Theresa Baer, Katrina Winborn Miller, Chelsea Wisdom, Amber Epstein, Nicole Fortuno-Sizemore and so many volunteers that helped make this bookfair such a success! We appreciate you all so much! See pictures below in the PTO section.

Congratulations to our Kindergarteners and 3rd graders who all did a wonderful job performing for families on March 30th at their evening performance! We look forward to the 1st and 4th grade music program on April 13th! Students work so hard during practice and it is a great opportunity to perform for families while having fun putting on a show! Once again thank you for all you do to support your students at school! We are honored and excited to continue our partnership of growing and learning with you and your child. Spring is here, the sun is out! Let's make this quarter our best yet! Together we can accomplish great things!

From the Assistant Principal

This year we have seen a resurgence in the popularity of Pokémon cards. As a school we have been grappling with how we would like to approach this interest for our students. On the one hand we want students to be engaged in things they like and enjoy with their friends. On the other hand these cards can be seen as toys and most typically we don't allow toys to be brought to school because of the potential disturbance it can cause to the learning environment. We have landed on not allowing Pokémon cards to be brought to school unless your child's teacher specifically has communicated otherwise. Some teachers have worked with their class to come up with appropriate times and ways they may be used. If you have questions, please contact your child's teacher for specific expectations for their class.

Office Notes

- If you are coming to school to visit or volunteer for the first time, please remember to bring your drivers license with you. We need everyone to sign in with their ID before going in the building.
- As this school year winds down, we start planning for our next school year. If you are moving out of Poudre School District and your child will not be here next year, please let us know. We will forward permanent records to our records department and they will forward those to your child's new school.
- May 26 is the last day of school and is ½ day. School releases at 11:25am. Breakfast will be served. No lunch service. Buses will drop students off 3 ½ hours earlier than normal.
- Start looking for those lost library books. All library books will be due the beginning of May. This gives everyone plenty of time to check under beds etc.... 😊
- As the school year winds down, please remember that any medication left over at the end of the year will need to be picked up by a parent or guardian. We will not send any medication home with a student, prescription or over-the-counter. Medicines that are left at the end of the school year will be disposed of by the school nurse.
- For next year, if you know your student will need medication at school, authorization forms are available on the PSD website. Go to the Poudre School District website, click on the Parent tab, then to Health Services and scroll down for the appropriate form. New forms must be

continued

submitted every year. Any prescription or over-the-counter medicines require an authorization form. As always, these forms are available in the office until the end of this school year and on the CLPE website. Please call 488-7600 with any questions.

- Student's going into 6th grade will need a **Tdap** immunization. If your child receives this before the end of the school year, bring in the proof of immunization and we will record it in the student information system.
- Missing coats or other items? Please be sure to check the lost and found. There are bags full of clothing. We will donate lost and found items at the end of the school year.

Physical Education

Poudre School District track meet is coming up in May for 4th and 5th grades. Students will have tryouts during PE class on April 12th and 14th with a backup day (just in case of inclement weather) on the 19th and 21s. We will also have a practice track meet hosted by middle school track athletes on the 26th and 28th.

More information about the May district track meet will follow soon.

If you have any questions, please email Mr. Farnsworth

efarnswo@psdschools.org

Honor Choir

Congratulations to Julianna, Jackson and Audrey for their amazing performance with the Poudre School District Elementary Honor choir. You can view their performance on Youtube at <https://www.youtube.com/watch?v=oGPSVoBcD4M>

Your artwork on the cover of the yearbook?!

The annual yearbook cover contest is here! We will collect student artwork and school staff will vote. The entry with the most votes will be the front cover and the entry with the second most votes will be on the back cover! Here are the requirements:

- Use 8.5x11 inch white paper (Ask any teacher for paper) **Must be portrait orientation.**
- Include school name and school year **exactly** as shown here:
 - ◊ Cache La Poudre Elementary, an IB World School 2022-2023
- One entry per student

Our motto this year is "Together We Grow"

Artwork is Due: Friday, April 7th

Yearbook Information

Get your 2022-2023 CLPE Elementary Yearbook ordered. Order information was sent out the end of March. Yearbooks can be ordered on-line or forms can be sent in to classroom teachers. Orders are due Friday, April 28.

**CLP ELEMENTARY IB WORLD SCHOOL
YEARBOOK ORDER**

It is Yearbook Time! The *2022-2023 Yearbook* is a color 32 page yearbook filled with pictures of your classmates, teachers, the CLPE Staff and lots of memories.

The price:
\$ 14.50 per yearbook

All orders must be prepaid, fill out the envelope below and **return it with payment to your teacher by:**
Friday, APRIL 28, 2023.
In May your yearbook will be delivered to your classroom.

After April 28th, books can be ordered online throughout the summer and orders will be processed after July 1, 2022 for \$22.00 and it will be mailed directly to you.
So order now!

Your support for this year's yearbook will allow us to continue the project in the future.

Please make checks payable to: **SKILLMAN PHOTOGRAPHY**
Returned checks are assigned to PFC Check Solutions. \$ 20.00 service charge plus all applicable costs of collection pursuant to C.R.S. 13-21-09 will apply. Returned checks may be re-presented for the face amount plus fees.

WANT TO ORDER ON ONLINE?
Simply go to www.yearbookmarket.com and enter Cache La Poudre Elementary in the search box which takes you to your school's book for purchase or scroll down to Cache La Poudre Elementary.
A 1.00 convenience fee will be added.

IB Coordinator

Hi Families,

I hope you and your families are enjoying the longer days and the gradual shift to warmer weather. This month I'd like to continue sharing another key element of the IB program; taking action.

Taking action is an essential part of student agency in the IB program and is a key component throughout all levels of an IB education. Students may take action in response to their inquiries, linking their learning to community and global issues and opportunities. Action may also arise spontaneously in response to a need that has been seen.

continued on next page

IB Coordinator*continued*

“Action, the core of student agency, is integral to the Primary Years Programme (PYP) learning process and to the programme’s overarching outcome of international-mindedness. Through taking individual and collective action, students come to understand the responsibilities associated with being internationally minded and to appreciate the benefits of working with others for a shared purpose. When students see tangible actions that they can choose to take to make a difference, they see themselves as competent, capable and active agents of change.” The International Baccalaureate Organization (Oxfam 2015)

Initiated by students, PYP action is authentic, meaningful, mindful, responsible and responsive. Action could be:

- a change in attitude
- a plan for the future
- a demonstration of respect or responsibility
- leading or joining a school/community organization
- engaging in local decision-making
- a conscious choice not to act
- an adjustment in behavior

Connecting action and the learner profile

Through developing attributes of the learner profile, students grow in their ability to make informed, reasoned, ethical judgments and to exercise the flexibility, perseverance and confidence they need to bring about positive change in the learning community and beyond.

For example, let’s say students are investigating the Central Idea:

Humans make choices that have an impact on the environment.

Students synthesize and apply their conceptual understandings, knowledge and approaches to learning to take action on issues—knowledgeable:

Students may identify the problem of air quality on the road adjacent to their school as something for which they propose possible solutions.

Actions might include:

- lifestyle choices—walking-to-school days, “switching off engine” campaigns for stationary cars
- advocacy— seeking local press support in publicizing a tree-planting scheme to help compensate for air pollution

(The Learner, IBO)

continued on next page

IB Coordinator*continued*

Oftentimes we think of action as something requiring a major change or having a wide reaching influence on others. In truth it is more often the small personal actions that have the greatest impact and ripple effect. I encourage you to talk with your children about ways that they might make a change based on their learning and observations.

Stay curious,
Mandy Parton
IB Coordinator
Media Specialist

Community Based Learning

This past month Ms. B's and Mr. Haydock's groups attended their first of two Community Based Learning opportunities!

The group walked to Me Oh My Coffee and Pie to practice community skills of *Following Directions*, *Getting Someone's Attention*, and *Talking with Others*! Students were excited to apply practical skills they are learning at school out in the real world. (They also loved getting a sweet treat). 😊

Here are those community skills if you would like to practice them at home with your children!

Following Directions

1. Look at the Person
2. Say okay
3. Do it right away

Getting Someone's Attention

1. Wait until the other person is finished speaking or available
2. Look at the person
3. Say "excuse me"
4. Wait until he or she acknowledges you.
5. Say what you want

continued on next page

Community Based Learning

continued

Talking with others

1. Look at the person
2. Use a pleasant voice
3. Ask questions
4. Avoid Interrupting

The following week students learned about horticulture and self-regulation through an activity provided by CSU Extension! We are so thankful for this hands-on learning opportunity!

Take care and as always, please don't hesitate to reach out to us if you need any help, guidance, tips or tricks!

Sincerely,

CLPE Mental Health Team

April - What's happening in the Art Room?

This year we are exploring the 8 Studio Habits of Mind which influence the state and national standards. But this month, let me explain two of the studio habits: *Stretch & Explore* and *Understand Art Worlds*
Stretch & Explore: Discovering new ideas and ways of working.

Understand Art Worlds: Learning about Art History today and in the past.

Designs & Images PSD District Art show

will be on display at the Foothills Mall April 6- May 9, 2023

Artist reception is Thursday Apr 6, 2023 from 5-7pm

Artwork from all grades Kindergarten through 5th will be on display. Specific artist's families will be notified if their art is on display, but I encourage all families to go to the Foothills Mall and see the amazing artwork from all over PSD.

Right now, here's some of the art projects that we are working on in April:

Kindergarten: Clay exploration and Color theory

1st: Clay pockets and Texture

2nd: Atmospheric painting

3rd: Artist Trading Cards

4th: Clay bowls and Texture

5th: Watercolor techniques

Mrs. Awsumb Conn

PTO NEWS

Our thanks

Book Fair & Family Night Success

Thank you to all that helped support the book fair and attended Family Night last month! We had a great turnout and hope attendees enjoyed the entertainment and food the PTO organized for the school. With your help, we earned \$5,423 in Scholastic dollars for CLPE to buy books for the library and individual classrooms!

Special thanks to Mrs. Boucher and Mrs. Worman for opening the school to us and taking the time to be there that night; Mrs. Awsumb-Conn for working with students on magical art for the student show; and Ms. Amber and Mr. Ray, our wonderful custodians, for helping us prepare for and cleanup after the event!

Upcoming events & activities

Book Swap & Read-a-thon

The PTO is planning another book swap in preparation for this year's Read-a-thon to incent students to keep reading! We'll collect your gently used children's books in April and distribute for the May Read-a-thon. All classes will work toward a schoolwide goal to earn another super fun end of year celebration. Look for details via email and flyers with reading logs to come home.

Teacher & Staff Appreciation week is May 8-12

Please be on the lookout for ways you and your students can help us celebrate all the amazing teachers and staff at CLPE.

Next PTO meeting: Tuesday, April 25, 8am, CLPE Room 150 with a virtual option

Monthly in-person business meetings take place the last Tuesday of each month. You can join virtually at: <https://meet.google.com/kue-mhwv-dgz>.

Nominations/voting for the open Secretary position will take place. The Treasurer and President positions are tentative...they are currently held by 4th grade parents so next year is their last at CLP...willing to work closely with anyone wanting to jump into these extremely rewarding and fun positions. Reach out for more info at PTOclpe@gmail.com.

Stay informed & buy spirit gear

Visit clpe.ptboard.com for PTO announcements, event and meeting info, and to buy fun CLPE spirit gear! Follow us on Facebook, www.facebook.com/CLPEPTO, or Instagram, @clpe_pto. To join the PTO, use this QR code or visit tinyurl.com/clpePTOsignup.
