

Dear CLPE Family,

What a beautiful day in sunny Colorado! Cool, too, which helps.

Our new morning routine in the gym seems to be a tremendous hit with all. Mrs. Flail is leading students in: singing, cup games, clapping games, quizzes, etc. When the bell rings at 9:00, I do the usual announcements, then lead us in our motto and the Pledge of Allegiance. There really is no other option at this point for 8:40-9:00. Drop off and pickup go smoothly if everyone stays in their vehicles. I know 54G gets crowded and stopped up, but it is the best we can do right now. Also, please let the busses out when they are ready to leave and that frees up precious space.

- Not many more specifics on clean-up and restoration for today, but I'm sure on Monday I'll have more to share. They continue to work hard making great progress.
- Our PTO contributes to us every day in so many ways and staff and students are appreciative of their efforts.
- Students are doing well with all the changes and are much more adaptable than the adults. They love the novelty of our new situation, and are coming up with actions that help the entire school.
- Certainly happy we celebrated our 100 year anniversary last spring. Just goes to show that nothing keeps CLP schools down. We just keep sailing on, no matter the circumstances.

Thanks again to all for your support! Have a great weekend!
